REQUEST FOR RECONSIDERATION
OF PETITION TO WITHDRAW HOLDING OF ABANDONMENT
BASED ON FAILURE TO RECEIVE OFFICE ACTION UNDER 37 C.F.R. 51.181

Sir:

Applicant submits this Request for Reconsideration in response to the Decision dated August 13, 2010.

On December 30, 2009, Applicant filed a Petition to Withdraw the Holding of Abandonment Based on a Failure to Receive Office Action.

On August 13, 2010, the Petition was dismissed since the Petitions Attorney required additional documentation to support the original Petition.

Applicant submits herewith a copy of the Master Docket for April 5, 2009 (Exhibit C). This exhibit shows all the due date entries for the response due date of April 5, 2009.

In addition, the previously submitted Exhibit B showed every piece of mail received from the USPTO around the time period that the Notification of Missing Requirements was apparently mailed. Please note that the base date in each of the docket records in Exhibit B was the mailing date from the USPTO.

In view of the submission of this additional documentation, Applicant requests that the above-identified application be revived and the Notification of Abandonment be rescinded.

This Request for Reconsideration is being filed within two (2) months of the mailing date of the Decision. It is Applicant's belief that no fee is required. If a fee is due, please charge said fee to Deposit Account No. 50-4053.

If the Petitions Attorney has any questions concerning this Petition, please contact the undersigned at the number provided below.

Respectfully submitted,
